

Media Announcement: MLA on Ross Greenwood Show 12th May 2011

Attached is an audio file of a news advertorial segment which was broadcasted on Ross Greenwood's 2GB *Money News* program on the 12th of May.

<http://www.medaust.com/IRM/content/MAL-RossGreenwoodShow12May.mp3>

Average audience size of Greenwood's show is around 300,000, and listeners have a strong leaning towards ASX investments and also a good overall knowledge of financial matters.

The segment reinforces the important information that was announced last week by Medical Australia and we believe this media initiative will help attract new investors and build market support.
